

REMARKS

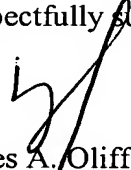

Claims 1 and 3-20 are pending. By this Supplemental Amendment, the specification is amended and Fig. 3 is added. No new matter has been added. Reconsideration is respectfully requested in view of the above amendments and the following remarks.

The October 17, 2005 Office Action indicates that the September 28, 2005 Office Action is not fully responsive. In response, the specification and Fig. 3 is added in order to comply with the Office Action.

For the reasons as discussed in the September 28 Amendment, Applicants believe that the application is in condition for allowance.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
